

## Reference Sheet for Gardner Ranch Outfitters

*Name and State:* **Gary Rowles, East Greenville, Pennsylvania**

*How many times (years) have you been out to Doug's Camp?* **I've been there every year from 1991 onwards.**

*Do you primarily hunt elk, mule deer, whitetail deer or antelope? Rifle or archery equipment?*

**Primary archery hunts but I've done several rifle hunts as well. I've hunted mule deer, whitetail deer and antelope with both rifle and bow. Many times I've hunted all three species in a single day! And I've done a number of archery elk hunts. No one hunt or animal stands out above the other to me. They are all great.**

*What aspects of Gardner Ranch Outfitters keep you and your party coming back year after year?*

**It's simple... great hunting, great people and beautiful country. I always refer to my annual trip to Gardner Ranch Outfitters as "the best week of the year".**

*Would you recommend Gardner Ranch Outfitters to a potential hunting companion? Absolutely*

**If so please list your phone # for prospective hunters to check our references.**
